Notes: 2-EX, 3-EX, and 4-EX were special scenarios and reformatted as general release scenarios of the same name in the following season. Each is considered the same for purposes of played events, but only the later version is legal for PFS play once published. Evergreen adventures designated by round "O" checkbox can be played repeatedly with a different 1st level character each time, and once as a higher level character on adventures with higher tiers.
